

## Preserve Patient Dignity by Eliminating Foul Odors

Acute and long-term healthcare facilities deal with odors that come from bodily fluids and infectious wounds.

In addition, these facilities need to consider patients and residents with compromised immune systems when it comes to dealing with odor elimination.

As such, Fresh Wave<sup>®</sup> IAQ empowers healthcare facilities to completely eliminate any human originated odors safely and effectively, putting the focus on providing quality care with dignity and respect for a higher quality of life. Deodorize with a pH neutral odor eliminator.

### **Problem:**

Ongoing odors due to bodily fluids, human waste, and open wounds.

### **Solution:**

Fresh Wave IAQ odor eliminating products to eliminate odors, not mask them.

### **Business Benefit:**

Cleanliness is a key consideration in the selection of a long term care or acute care facility. No healthcare environment is truly clean if it smells bad. Fresh Wave IAQ elevates resident and patient dignity, eliminates embarrassing odors, and eases tensions between residents/patients, family, and staff.

**WHAT MAKES FW IAQ DIFFERENT?**

- Eliminates Odor – Not a “masking agent,” with no irritating fragrances added
- Broad Spectrum – Works on virtually every odor
- Multiple Solutions – Provides delivery methods to address every odor issue
- Safe – MSDS reads like water.
  - HMIS Classifications: Health - 0, Flammability - 0, Reactivity - 0, Protective Equipment - NONE
- Green – Recognized for safer chemistry by the EPA’s “Design for the Environment Program”

**Our Science****WHAT IS FRESH WAVE IAQ?**

- A proprietary blend of naturally occurring plant extracts, non-ionic food grade surfactants and purified water

**Natural Ingredients****Water****Lime****Pine Needles****Aniseed****Clove****Cedarwood****HOW DOES IT WORK WITHOUT USING “MASKING AGENTS?”**

1. Contact/Adsorption - Fresh Wave IAQ molecules released into the air or applied to surfaces make contact with odor molecules via opposing electrostatic charges and random contact.
2. Solubility - Fresh Wave IAQ’s formulation enhances the solubility of gases (all odors are gases).
3. Chemical Reaction - Fresh Wave IAQ modifies the odor molecule to a non-odorous state so that the odor can no longer be detected by the human olfactory system.
4. Biodegradation - Food for bacteria.

**THE ODOR IS GONE AND WILL NOT RETURN.**

**IS IT SAFE?**

- Flash Point – None
- Tox Data – Non-toxic, per EPA guidelines
- VOC Data – No hazardous VOC’s
- Ecological – Does not bioaccumulate
- Recognized for safer chemistry by the EPA’s “Design for the Environment” program, [www.epa.gov/dfc](http://www.epa.gov/dfc)

**AIR & SURFACE LIQUID and SPRAY**

A rapid and targeted method of odor elimination. Instantly bonds to and eliminates odor molecules. The Air & Surface Liquid and Spray have an initial mild aroma that quickly dissipates.

**Ideal For:**

- **Resident and Patient Rooms, Restrooms, Nurse's Stations, Lobbies**
- **Maintenance Carts:** Place the Air & Surface 32-oz. Spray on every cart.
- **Nursing and Support Staff on their daily rounds:** Carry the 2oz. Spray.
- **Housekeeping:** Use the Air & Surface Liquid to eliminate odors from vomit, urine, and feces. Add to rinse water in wash or mop buckets. Spray on draperies, furniture, and linens. Use to eliminate odors that have penetrated or are resting on the surface of wheel chairs, rehabilitation equipment, couches and chairs, massage or treatment tables. Great for microfibers and mop heads.

**Available in:** 2-oz., 32-oz., 1-gallon, 64-oz. and 5-gallon concentrates

**GEL**

A passive release, continuous formulation that works around the clock to provide constant odor elimination, day or night. The Gel has an initial mild aroma that quickly dissipates.

8 oz Gel Wall Mount Unit

**Ideal For:**

- **Resident or Patient Rooms, Rehabilitation and Exercise Rooms, Restrooms, Soiled Linen Rooms:** Place an 8-oz. Gel Wall Mount Unit in the space or room impacted by the source of the odor.
  - Covers approximately 250 sq ft for 30 days.
  - Refill with the 2 or 5-gallon pail.

**Available in:** 8-oz., 16-oz., 2-gallon, 5-gallon and Wall Mount Unit

**CARPET & UPHOLSTERY ADDITIVE**

Extract even the most embedded odors from textiles, including must, mildew, urine, feces, vomit, and perspiration. Penetrates deep into pile and fabric weave to bond with and eliminate odors.

**Ideal For:**

- **Hot Water Extraction (HWE) & Bonnett Cleaning:** Use in pre-spray, hot water rinse/extract and/or post-spray. Apply to fabric with a scrub brush and wash bucket.

**Available in:** 1-gallon, 5-gallon, 64-oz and 5-gallon concentrates

**LAUNDRY ADDITIVE**

Many commercial detergents are designed to remove dirt and stains, but fail to adequately address odor issues. Use the Laundry Additive in addition to detergent and eliminate odors from problem laundry, including must, mildew, urine, feces, vomit, and perspiration.

**Ideal For:**

- **Soiled linens, Microfiber and linen.**

**Available in:** 1-gallon, 5-gallon, 64-oz. and 5-gallon concentrates

**OSTOMY DROPS**

The latest innovation from Fresh Wave IAQ.

**Ideal For:**

- **Eliminating odors when changing or replacing an ostomy bag.**
- Fresh Wave IAQ Ostomy Drops are registered with the FDA (#FW568).
